

Garnet Valley High School Marching Band

Chaperone Responsibilities (2019-2020)

For Football Games and other Marching Band Events

All Parent Volunteers **must** have current child abuse clearances registered with the School District administration. GVHS Band Chaperone Tags will **only** be issued to those who are on the official GVSD clearance list.

Directions for obtaining clearances can be found on the school district website at www.garnetvalleyschools.com by searching for “Volunteer Clearances”.

Responsibilities of Chaperones:

- Plan to stay when you drop off your son/daughter.
- Plan to ride the bus both ways to away games, and walk in and out with the band/guard members for both home and away games.
- Help Dr. Selfridge with crowd control and relaying of instructions.
- Distribute and collect Plumes. At home games, plumes are distributed/collected at the band room door as the students leave and enter. At away games they are distributed/collected as the students leave/enter the bus.
- Help the students with zippers, etc. and in pointing to the uniform moms for uniform emergencies.
- Plan to sit next to the band section of the stands and watch the students’ seats and belongings while the students are on the field and during third quarter break.
- Make yourself known to and available for the students, so they know who to talk to in case of a problem. Be aware of which chaperone has the medical bags and emergency forms.
- Be ready for anything!

Please make sure to sign up on the GVHS Band website at www.GVHSMusic.org for games and competitions.

Thank you for volunteering to help the band be the best it can be!
